

## Product Datasheet

<b>Product Name</b>	Protein Arginine Methyltransferase 1 Human Recombinant
<b>Cata No</b>	CB501373
<b>Source</b>	<i>Escherichia Coli.</i>
<b>Synonyms</b>	ANM1, HCP1, HRMT1L2, IR1B4, Interferon receptor 1-bound protein 4, EC 2.1.1, Protein arginine N-methyltransferase 1, PRMT1, HMT2.

### Description

PRMT1 Methylates (mono & asymmetric dimethylation) the guanidino nitrogens of arginyl residues present in a glycine and arginine-rich domain (may methylate HNRNPA1 and histones).

Methylates SUPT5H.

The PRMT1 protein functions as a histone methyltransferase specific for H4.

PRMT1 is an essential factor in oncogenesis and is a potential novel therapeutic target in cancer.

PRMT1-mediated methylation serves as a positive modulator of IR/IRS-1/PI3K pathway and glucose uptake in skeletal muscle cells.

CAF1 is a new regulator of PRMT1-dependent arginine methylation.

PRMT1 arginine-methylates MRE11 therefore it regulates the activity of MRE11-RAD50-NBS1 complex during the intra-S-phase DNA damage checkpoint response.

PRMT1 plays a post-translationally part in regulating the transcriptional activity.

PRMT1 is found predominantly in the cytoplasm though a fraction of PRMT1 is located in the nucleus.

PRMT1 Human Recombinant fused with His-MBP tag at N-terminus produced in E.Coli is a single, non-glycosylated, polypeptide chain containing 750 amino acids and having a molecular mass of 84 kDa.

The PRMT1 is purified by proprietary chromatographic techniques.

### Physical Appearance

Sterile Filtered colorless solution.

### Biological Activity

10,000 Units/ml.

### Purity

Greater than 90.0% as determined by:

(a) Analysis by RP-HPLC.

(b) Analysis by SDS-PAGE.

### Formulation

The PRMT1 solution contains 40mM Tris pH 8.0, 100mM NaCl, 4mM MgCl<sub>2</sub>, 2mM DTT & 40% glycerol.

### Stability

PRMT1 although stable 4°C for 4 weeks, should be stored desiccated below -18°C.

For long term storage it is recommended to add a carrier protein (0.1% HSA or BSA).

**Please prevent freeze-thaw cycles.**
